

## Membership Terms and Conditions

Memberships can be cancelled at any time, by giving notice of at least 14 days and delivered via email to [climb@bloc11.co.za](mailto:climb@bloc11.co.za). Please note a final debit order may still apply if the cancellation email is not received by the 15th of the current month.

Memberships may be paused at any time in one month intervals by giving notice of at least 5 business days and delivered via email to [climb@bloc11.co.za](mailto:climb@bloc11.co.za) (for example a pause request delivered on the 10th would pause from the 15th of the current month until the 15th of the following month). If you pause for two or more months, but wish to return one or more months sooner, 5 business day notice is required to reinstate your membership (prior to the 10th of the following month using the example above).
